

Goals of Sustainable Development

Goal 1 – No Poverty

- End poverty in all its forms everywhere.
- Improve social protection and access to basic services.
- Promote inclusive economic opportunities and resilience.

Goal 2 – Zero Hunger

- End hunger and malnutrition.
- Ensure access to safe and nutritious food.
- Promote sustainable agriculture .
- Support small farmers and responsible resource management.

Goal 3 – Good Health and Well-Being

- Ensure healthy lives and promote well-being for all ages.
- Improve healthcare and disease prevention.
- Promote sanitation, mental health and healthy living.
- A clean environment supports public health.

Goal 4 – Quality Education

- Ensure inclusive and equitable quality education.
- Promote lifelong learning and skills development.
- Include environmental awareness and sustainability education.

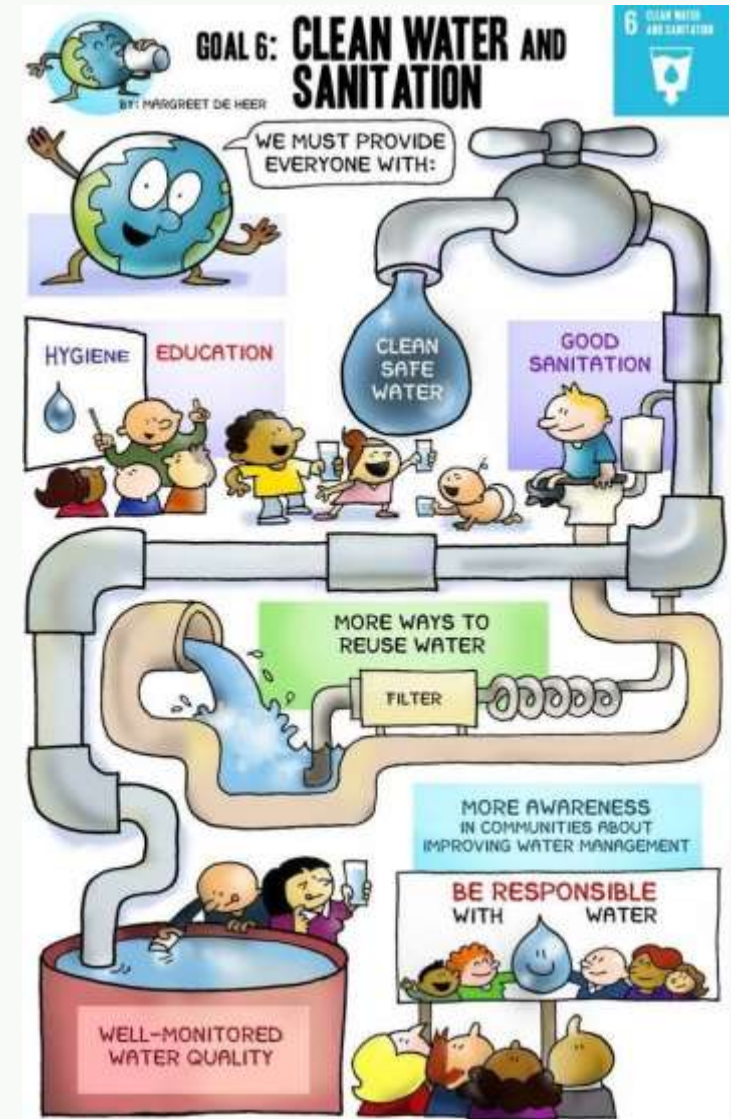

Goal 5 – Gender Equality

- Achieve gender equality and empower women and girls.
- Eliminate discrimination and violence.
- Promote equal participation in education, employment and leadership.

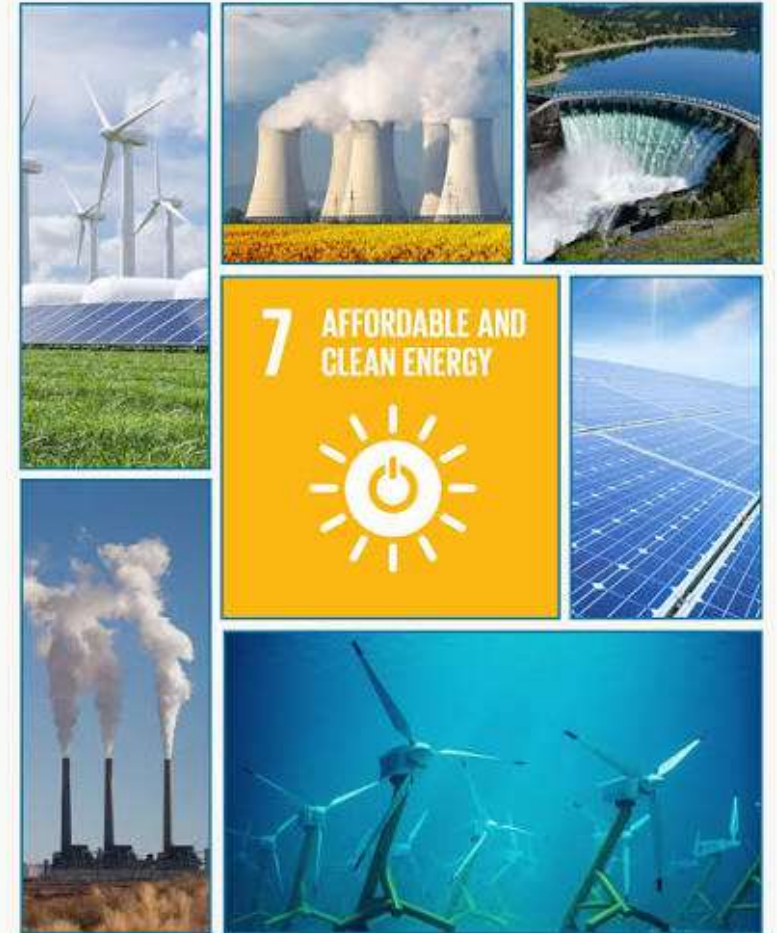

Goal 6 – Clean Water and Sanitation

- Ensure sustainable water and sanitation for all.
- Improve access to safe drinking water.
- Reduce water pollution and improve water-use efficiency.
- Protect rivers, wetlands and groundwater.

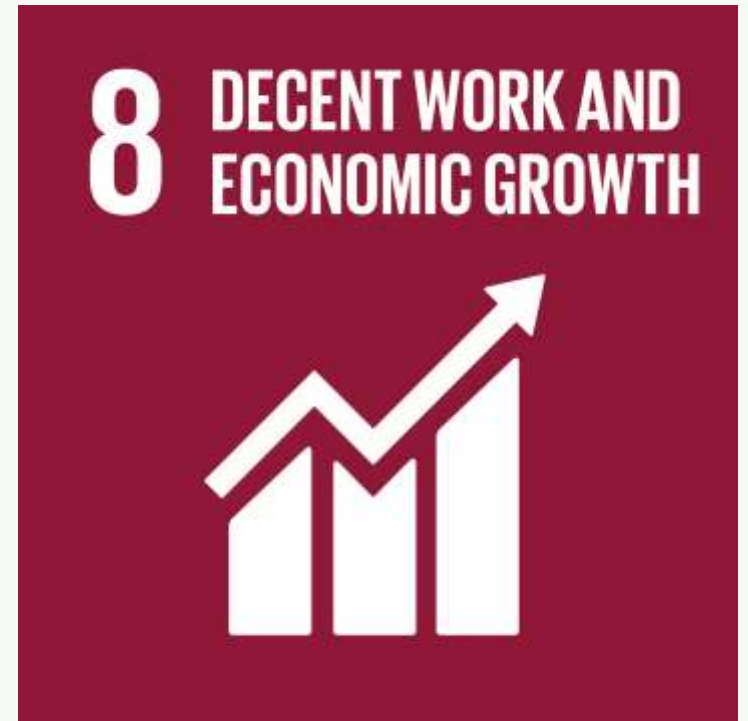

Goal 7 – Affordable and Clean Energy

- Ensure access to affordable, reliable and sustainable energy.
- Expand renewable energy such as solar and wind.
- Improve energy efficiency and reduce energy waste.

Goal 8 – Decent Work and Economic Growth

- Promote inclusive and sustainable economic growth.
- Support productive employment and decent work.
- Protect labour rights and workplace safety.
- Encourage entrepreneurship and resource-efficient production.

Goal 9 – Industry, Innovation and Infrastructure

- Build resilient infrastructure.
- Promote inclusive and sustainable industrialization.
- Encourage research, innovation and cleaner technologies.
- Improve reliable infrastructure and connectivity.

Goal 10 – Reduced Inequalities

- Reduce inequality within and among countries.
- Promote social, economic and political inclusion.
- Ensure equal opportunities and reduce discrimination.

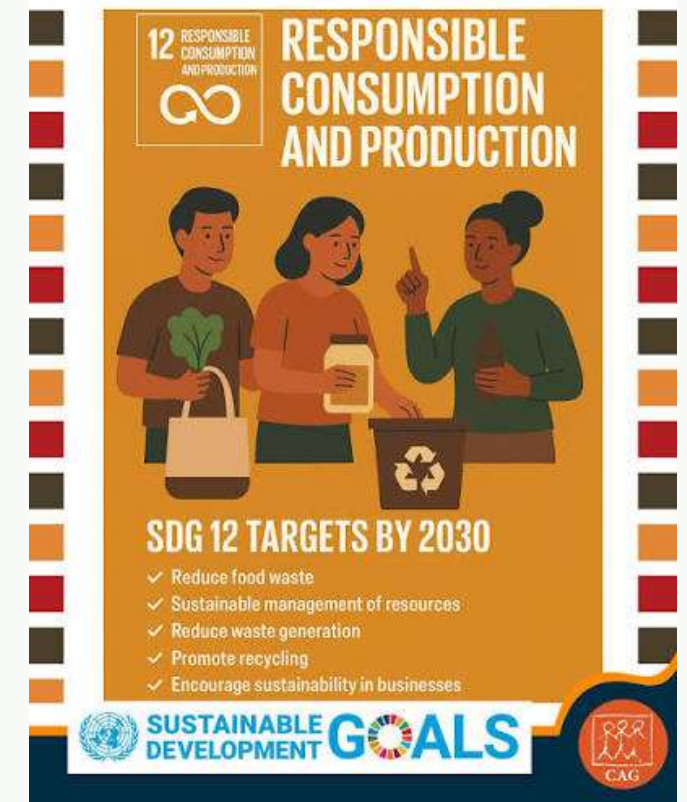

Goal 11 – Sustainable Cities and Communities

- Make cities inclusive, safe, resilient and sustainable.
- Improve housing, public transport and waste management.
- Protect cultural and natural heritage.
- Strengthen resilience to climate and disaster risks.

Goal 12 – Responsible Consumption and Production

- Ensure sustainable consumption and production.
- Use resources efficiently and reduce waste.
- Promote reuse, repair, recycling and circular-economy approaches.
- Encourage responsible business and consumer choices.

Goal 13 – Climate Action

- Take urgent action on climate change and its impacts.
- Reduce greenhouse-gas emissions and build resilience.
- Improve climate education, awareness and institutional capacity.

Goal 14 – Life Below Water

- Conserve and sustainably use oceans, seas and marine resources.
- Reduce marine pollution.
- Promote sustainable fisheries.
- Protect coastal and marine ecosystems.

Goal 15 – Life on Land

- Protect and restore terrestrial ecosystems.
- Combat deforestation, desertification and land degradation.
- Conserve biodiversity and threatened species.
- Promote sustainable forests and soils.

Goal 16 – Peace, Justice and Strong Institutions

- Promote peaceful and inclusive societies.
- Ensure access to justice for all.
- Reduce violence and corruption.
- Build transparent, accountable and effective institutions.

Goal 17 – Partnerships for the Goals

- Strengthen global partnerships for sustainable development.
- Mobilize finance, technology, knowledge and capacity.
- Encourage cooperation among governments, businesses and communities.
- Partnerships support implementation of all SDGs.

Role of Students and Citizens

- Save electricity and water.
- Reduce, reuse, repair and recycle.
- Use public transport, walking or cycling where practical.
- Protect biodiversity and local surroundings.
- Promote equality and responsible citizenship.
- Participate in community and environmental activities.
